ok, maybe the Perry pic was photoshopped, the left seems to have a fetish with corndog pics, but this.....when you never say the Pledge of Allegiance, if you're not proud of your country, until your husband runs for office, or, if you're just plain evil, then you're likely unaware of how to properly show the flag respect- i looked at this carefully- the wedding bands tell the truth.....

Franklin Marion there's a lot to this pic actually.....after i saw the photo of moochele in vanity fair,flashing the 'il cornuto', what they are telling us, is that they follow the 'left hand path'. nothing new, handsigns have been around for centuries. Proverbs 5,tells it nice and succinctly.

Franklin Marion well, snopes is incorrect in their analysis, the key point being the 'medals' on the wrong side of the uniform of the Marine guard. they are in fact NOT medals, but campaign ribbons, and they are on the correct side. i think stupid is who you choose to believe, sometimes.

Sharon Lynn Barbara and David Mikkelson started snopes - they live in the San Fernando Valley of California started the website about 13 years ago. They have no formal background or experience in investigative research. NONE - After a few years their website gained popularity, many people believing it to be unbiased and neutral. THEY ARE AGING HIPPIES WHO ARE DEMOCRATS

THIS IS THE COUPLE THAT DAVE RIDDLE THINGS ARE THE GOOD GUYS! LOL

- THEY DO NOT BELIEVE IN GOD

Dave Riddle You might want to get a refund on that remedial reading class you took.

The articles does NOT say medals. It says "decorations". But even if it DID say medals the photoshopped image shows them being worn on the right breast. Ribbons, decorations AND medals are worn on the left breast as the unretouched/unphotoshopped image clearly shows them being on the left breast.

<http://www.marzone.com/Art/USMC-W.htm>

"Wear ribbons with the lower edge of the bottom row centered 1/4 inch above the left breast pocket and parallel to the deck."

Billy Jack as a former Green Beret would have known that. You on the other hand...

Here is a picture of Chesty Puller (a Marines Marine) so that you can observer the proper placement of ribbons on a Marine uniform

http://en.wikipedia.org/wiki/Chesty_Puller

Also, feel free to google "marine corp dress blues" to check other images for the proper placement of "decorations."

You can also clearly see in the original image that the Marine in question standing behind Obama is wearing medals and not just ribbons.
